PINEBROOK GOLF & COUNTRY CLUB

@PINEBROOKGOLF

@PINEBROOKGOLF

**Pinebrook Golf and Country Club** is financially stable, owned by 500 shareholders, and operates with an elected Board of Directors ensuring fiscal responsibility and understanding of Members' needs. Volunteer committees assume the responsibility of running everything smoothly, from clubhouse operations to the many tournaments enjoyed by Members at Pinebrook.

### Equity Memberships:

Full membership requires the purchase of an equity share. Each year approximately 17 to 20 shares, carrying **full** equity value, are offered for sale at a price determined by the selling shareholders.

Once you have agreed on the share price and finalized the purchase, Pinebrook then charges an Activation Fee. The Activation Fee is 50% of the agreed share price that you are purchasing.

Our shares are FULL EQUITY, so when you sell your share, you net back what you sell it for. The only part that is forfeited to the club is your Enrollment/Activation Fee.

### One Year Trial Memberships:

Pinebrook's Board of Directors has decided to make available a very limited number of One Year Trial Memberships for the club, which include all the same benefits and privileges of current Pinebrook Members. All of the Pinebrook facilities will be available to you during this one year trial period, so it is a great way to try out the club before making a commitment.

Prospective One Year Trial Memberships will be based on a first come first served basis to those who submit their completed application and full payment of dues. ***There are a LIMITED number of Trial Annuals Memberships available each year.***

The One Year Trial Membership is only available to new Members, and is only eligible once to each family.

### Affiliate Intermediate Memberships:

Pinebrook has a new affordable program to help attract younger demographic to the club. The Affiliate Intermediate Membership is open to applicants between the ages of 18 & 37 years who do not have parents or grandparents who are equity members of the club. Please contact our Membership Coordinator for more information on the Affiliate Intermediate Membership program.
